

A practical guide to the straightforward and winning strategies of successful traders Trading is best kept simple and focused - that is the way to win. The most successful traders will tell you that they use only a small number of strategies, applying them time after time. A common mistake of losing traders, however, is to overly complicate what they do, using many different strategies at one time, or leading a never-ending search for new strategies. In 7 Simple Strategies of Highly Effective Traders, Alpesh Patel and Paresh Kiri provide a practical guide to seven technical analysis trading approaches that are simple, effective and easy to put into practice. These are the kind of strategies professional traders use to manage their trading. Throughout, readers will benefit from the trading insight and expert chart commentary of two vastly experienced traders. Included are strategies for breakout with volume, event trading, mean reversion, moving averages, short-term day trading, and more. The strategies can be used on a wide range of instruments, from equities to forex, bonds and commodities. Most of the approaches can also be used equally on UK, US or international markets. Don't waste money cycling through strategies, pursuing the Holy Grail - follow the winning approach of the pros and keep things simple.

Distance education in the 21st century boutique textbook. Economics and Management Series: Western Economics (2nd Edition) (macroeconomics part)(Chinese Edition), Using Basic English Grammar: Form and Function (English Language Teaching), Biochemistry and Genetics Pretest Self-Assessment and Review 5/E (PreTest Basic Science) 5th (fifth) Edition by Wilson, Golder published by McGraw-Hill Medical (2013), Erbe Aromatiche (Italian Edition), The Lady Upstairs: Dorothy Schiff and the New York Post, Der Fall Steinhauser: Fehlende Ausbildung (Krimiwelten - True Crime Edition) (German Edition), Why Do Plants Have Fruits? (Plant Parts (Powerkids)), Ukrainian Easter Egg Design Book 3, Economic Decision Making: Private and Public Decisions, Transparency: 12 Weeks To The New You,
