

Synopsis: This book embodies timely innovations breaking free from the confines of traditional Christianity: 1) the creative collation of the synoptic gospels into an inclusive narrative revealing all of the facts in one read 2) a re-visitation of the Canon restricting epistolary content to true apostolic authority 3) a functionally literal translation which rectifies 600 years of erroneous habits 4) a translation sourced in the Majority Greek Text since the oldest and best attested text is one with sufficient time to produce the greatest number of descendants resembling itself 5) the embodiment of Primordial Consecution where the originally separated and shuffled manuscript sections are restored to their original sequential order, rectifying all contextual aberrations 6) this work presents an overall coherent end-time scenario resulting from a critical refutation of the authorship and content of the book of Revelation, greatly un-complicating eschatology. The reader of this work will experience a timely, refreshing enlightenment of the soul, a liberation from the bondage of erroneous thinking and false doctrines, and a deliverance from the engendered confusion and inner perplexity that have developed over much of what one encounters while reading the average New Testament. About the Author: The author was born again in 1977. Doctrinally conservative, with a semi-conservative view of scripture, he has critically studied the New Testament for over thirty years, working with the original Greek. He scored well in the Basden-Johnson spiritual gift analysis for discernment, knowledge, teaching and shepherding. He has served the Church thirteen years with a web ministry doing counseling, apologetics, teaching, and translating. He published Primordial Consecutionâ€™”Twelve Apostolic Originals Derived from the Shuffled Manuscript Theory in paperback. This is a countermeasure to the rampant apostasy, wholesale ignorance and egregious error in the Church of these last days. Publisherâ€™”s Website:<http://sbprabooks.com/HumilisFiliusdelPater/>
