

As the war in the South Pacific heats up, Lieutenant Todd Ingram gets a new assignment to the destroyer U.S. Howell, on which he will serve as executive officer. Thrown into two epic naval battles of early World War II, the Battle of Cape Esperance and the battle of the Santa Cruz Islands, a young but already battle-weary Todd Ingram is also in the middle of a personal nightmare: his sweetheart, Army nurse Helen Durand, is trapped behind enemy lines, fighting for the resistance on Mindanao. With Soviet espionage activity hindering his rescue of Helen, Lieutenant Ingram is at an impasse. In danger of losing both the woman he loves and a war in which he had fought so valiantly, Ingram puts his life on the line for a world on the brink of destruction...From the whispers of lovers parted by war to the explosive, harrowing naval action in the battle of Santa Cruz Islands, A Code for Tomorrow brilliantly portrays World War II and the lives it irrevocably touched...

Notes for Infantry Officers on Trench Warfare, Greening Industrialization in Asian Transitional Economies: China and Vietnam (Rural Economies in Transition), Merci Gonaives: A Photographers Account of Haiti and the February Revolution, World English Bible Book of 1 Corinthians, Thomas Jefferson: The American Presidents Series: The 3rd President, 1801-1809, William-Adolphe Bouguereau: Collectors Edition Art Gallery, Across the Continent: A Journey to the Rocky Mountains, Mormons and the Pacific States, The Day My Brother Got Lost (Rosen Real Readers: Social Studies Nonfiction / Fiction: Family, Community, and the World), Childrens Book: Amazing Facts & Pictures about Sheep, The Gentlemans Magazine Library: Being a Classified Collection of the Chief Contents of the Gentlemans Magazine from 1731 to 1868 (Classic Reprint),
