

A continuous dialogue between Plato and Philaethes, divided into two main themes; political and social institutions regarded as means; and those regarded as ends. G. Lowes Dickinson (1862-1932) was a pacifist during World War I, and he was later instrumental in the conception of the League of Nations. His political writings include *The International Anarchy, 1904-1914* (1926). He is also known for *The Greek View of Life* (1896), a study of Hellenic society. A noble piece of prose and a ... profoundly moving sequence of thought, especially as it moves in music to its close. - Ernest Barker in the *Spectator*
