

For courses in Automotive Service Management. Unique in approach, this book provides a broad range of coverage going from foundational principles for beginners to case studies and practical tips for veterans. It addresses 30 different topics that are essential skills for today's service managers including customer relations, legal issues, safety, marketing and merchandising. Written in a conversational tone, each topic combines a base of the underlying management theory with real-world examples and case studies to engage the learner in applying these principles. Chapters include brief quizzes, key terms and chapter objectives designed to help readers learn the skills required to effectively supervise in the automotive service industry.

Forest Management, Puppy Training: 6 Weeks to a Better-Behaved Puppy (Really Simple Dog Training Book 3), 20 Division 59 Infantry Brigade Headquarters: 18 July 1915 - 30 June 1916 (First World War, War Diary, Wo95/2111), Start Writing: A Practical Introduction to Creative Writing, Stories From the Arabian Nights, Robert and the Weird and Wacky Facts (Robert Books), Power of Followership, The, Constitutional Failure (Constitutional Thinking),
