

Over 3000 inspected B&Bs in England, Scotland, Wales, Ireland and the Channel Islands are contained within this detailed guide. All establishments are annually inspected and rated as part of the Diamond Quality Standards assessment scheme. For anything from a deluxe mansion to a country farmhouse, guide quick reference lists make it easy to find accommodation to suit all budgets. Easy-to-use Egg Cup symbols provide ratings for both quality and choice, whilst a Pie symbol indicates where a well-cooked evening meal is available. Each entry provides up-to-date information including prices and opening times, with full contact details now including e-mail addresses and civil wedding venues; many entries are illustrated with colour photographs. The book is arranged in county and town order, with an index of towns and villages, and there's a 16-page colour location atlas to make your chosen B&B easy to find.
