

Behind The Lines: What it Really Takes to Make it as an Actor is a compilation of interviews with some of Hollywood's top entertainment professionals designed to dispel the myths and misconceptions of the industry. The book is meant as a candid exploration of how actors may be more successful in pursuit of their dreams, told from the perspectives of agents, managers, casting directors, and actors who are all at the top of their game. The Author, Jordan Ancel, has had over 20 years in the entertainment industry as an actor, photographer, casting director, and business coach. He has written this book for actors at any stage in their careers, and for parents of child actors looking to break their kids into the biz so that they may be more successful in their endeavors.
