

“What’s the first thing you think of when I say ‘angel’?” asked Mallory. Alice shrugged. “I don’t know... guns?” Alice isn’t having the best of days - late for work, missed her bus, and now she’s getting rained on - but it’s about to get worse. The war between the angels and the Fallen is escalating and innocent civilians are getting caught in the cross-fire. If the balance is to be restored, the angels must act - or risk the Fallen taking control. Forever. That’s where Alice comes in. Hunted by the Fallen and guided by Mallory - a disgraced angel with a drinking problem he doesn’t want to - Alice will learn the truth about her own history... and why the angels want to send her to hell. What do the Fallen want from her? How does Mallory know so much about her past? What is it the angels are hiding - and can she trust either side? Blood and Feathers is Lou Morgan’s electric debut.
