

The fascinating true story of ancient Britains greatest heroine -- now told in both Welsh and English in one bilingual volume! In 43 CE Roman conquest of Britannia seems all but certain -- until a chance meeting between King Prasutagus of the Icen and a runaway slave of royal decent from the Aedui tribe in Gaul changes the fate of the British islands forever. Perfect for students of both Welsh and English, improve your language proficiency while you learn about ancient England, Wales, and Scotland as the Roman invasions of the entire island unite enemy nations against a common foe. Beautifully written by historian Laurel A. Rockefeller of the Legendary Women of World History Series and translated into Welsh by Gwenlli Haf.
