

This Volume covers the CAT cases reported during 1995-1996 and complements the earlier CAT Digest of 1986-1994. Care has been taken to include all important cases, and each case has been thoroughly analysed and all law-points extracted from it. The arrangement and plan of this digest basically follows the Topic approach viz. under topics like Allowances, Appointment, Casual Labour, Compulsory Retirement, Confidential Report, Confirmation, Contempt of Court, Date of Birth, Deputation, Dismissal, Departmental Enquiry, Govt. Accommodation, Gratuity, Increment, Leave, Malafides, Misconduct, Natural Justice, Parity in employment, Pay, Pension, Post, Probation, Promotion, Punishment, Regularisation, Reinstatement, Reservation, Retirement, Seniority, Suspension, Termination, Transfer etc. Yet cross-references and citations are given for each and every service rule or regulation to which the case is related. Thus the Statute approach through the title of the Act or Service Rule is also operative through the cross-reference system, which pin points the exact topic and sub-topic headings, thereby making available other relevant rulings under other related service Rules. The Table of Cases Digested and Noted-up enables finding other cases on the same point and tracing subsequent developments. The uniqueness of this digest lies in the fact that it collects at one place all the cases on any particular topic/sub-topic though arising under different service Rules. All the law on one subject brought together at one place enables complete study of all the rulings on that topic or sub-topic and thereby saves the readers time and labour. Special Features: New case-method approach; Cross-Citations of all important law reports; Self-explanatory head-notes supported by excerpts from the judgment itself; Accurate and Comprehensive; Excellent Publication.
