

Cassie Hunt is a waitress down on her luck. When a customer offers her a large tip to just talk to him, she pegs him for a rich guy who was just a jerk. When he offers her a large sum of money to pretend to be his girlfriend, she negotiates a better deal, then takes him up on his offer. With a posh place to live and a hot guy to look at, how bad could it be? Trent Buchanan is a billionaire who can't get a date that his mother would approve of. If he doesn't bring a respectable girl to her next fundraiser, she is going to start setting him up with her friends' daughters. He finds Cassie waitressing in a nightclub and knows she's the one that will get his mother off of his back. And he might actually have fun with her.
