

Culture is the life-force that flows through the veins of a nation and culture alone can keep a nation alive and awake. It provides the nation with vitality and energy. A nation with a rich and vibrant culture briskly moves on the path of development adopting novel plans with a value-system. Historians believe that a rich cultural heritage is the most distinctive feature of Indian history. This is the element that had made India the crown jewel of the world in the times of yore. Indian spirit has remained unconquered from ancient times due to this rich cultural heritage.
