

Victoria English appears to have the perfect life. Although a widow, the 40 year old mother of 3 is engaged to Crown Heights' most eligible bachelor, the young and strikingly handsome Reverend Matthew Singapore. Matthew is one of the most respected and admired ministers in Brooklyn, New York. But little does Victoria know, Matthew's love is to die for. Not only is Victoria consumed by the thought of becoming Mrs. Matthew Singapore, but she is also due to inherit millions of dollars from her first husband's death; a reward that not only she anticipates. Victoria's perfect world comes to a screeching halt when Andre, her only son, disrupts her wedding ceremony and later becomes the prime suspect in her attempted murder. However, in this twisted tale of lust, greed, sex, deception and murder, everyone becomes a suspect. Don't be fooled by the title, *Dangerously In Love* is nowhere near the sultry, soul-bearing love song released by Beyonce. In fact, at the time of its creation, Brooklyn-bred newcomer author, Karl Delk Jr. had no idea of the song. Not only is *Dangerously* guaranteed to keep you entertained, the shock value is non-stop! No one is who they appear to be. Delk's descriptive, articulate and sarcastic wit will assure readers everywhere that *Dangerously In Love* is no "urban novel", but an account of how real love translates into a dangerous reality.
