

This early parenting manual is written to help supplementâ€”rather than supersedeâ€”the natural development of children from birth to age three. The author presents the advice, theories, and findings of early childhood development experts in order to address topics such as prenatal stimulation, the babyâ€™s sensory world, teaching a child a foreign language, the role that pets and toys can play in a babyâ€™s development, and more. With an abundance of useful information, this book ensures that infants and toddlers will get off to the best start possible, both physically and intellectually. Este manual de crianza temprana de hijos esta pensado para complementarâ€”en vez de suplantarâ€”el desarrollo natural de los ninos desde el nacimiento hasta los tres anos. La autora presenta los consejos, las teorias y las conclusiones de expertos en el desarrollo de ninos para poder abordar temas tales como la estimulacion prenatal, ensenarle un idioma extranjero al nino, el papel que pueden jugar las mascotas y los juguetes en el desarrollo del bebe y mas. Con una abundancia de informacion util, este libro asegura que los bebes y los pequenos tengan el mejor comienzo posible, tanto fisica como intelectualmente.
