

Dignity and Defiance is a powerful, eyewitness account of Bolivia's decade-long rebellion against globalization imposed from abroad. Based on extensive interviews, this story comes alive with first-person accounts of a massive Enron/Shell oil spill from an elderly woman whose livelihood it threatens, of the young people who stood down a former dictator to take back control of their water, and of Bolivia's dramatic and successful challenge to the policies of the World Bank and the International Monetary Fund. Featuring a substantial introduction, a conclusion, and introductions to each of the chapters, this well-crafted mix of storytelling and analysis is a rich portrait of people calling for global integration to be different than it has been: more fair and more just.

Chicago (Histoire) (French Edition), Encyclopedie moderne. Dictionnaire abrege des sciences, des lettres, des arts, de l'industrie, de l'agriculture et du commerce: Tome 15. In Bolivia, that is just enough water to cook a family meal and clean up from it. CHAPTER 2 A River Turns Black: Enron and Shell Spread Destruction across Bolivia's Highlands. For the people of Bolivia's highlands, Lake Titicaca is a mystic place of long memory. When those reforms failed to deliver the prosperity that was promised, the people rebelled, demanding a future of their own design. The story of Bolivia's challenge to globalization is about a people demanding basic dignity. Sometimes that challenge is about popular rebellion and democracy carried to the streets.

Dignity and Defiance is a powerful, eyewitness account of Bolivia's decade-long rebellion against globalization imposed from abroad. Based on extensive.
