

Excerpt from Elements of Agriculture: A Text-Book Prepared Under the Authority of the Royal Agricultural Society of England The preparation of this Text-Book was undertaken by the Royal Agricultural Society of England, in compliance with the many demands that had been addressed to it for an elementary work on Agriculture adapted for use in rural and other schools and classes. The general scheme of the work was settled by a Sub-Committee appointed by the Council of the Society, and consisting of Lord Moreton (Chairman), Major Craigie, Mr. C. De L. Faunce De Laune, Mr. D. Pidgeon, Mr. Martin J. Sutton, and Mr. Charles Whitehead. The Sub-Committee placed the preparation of the Text-Book in the capable hands of Dr. W. Fream, to whose skill and knowledge of the subject any success which the work may attain will be chiefly due. The Sub-Committee desire also to record their grateful acknowledgments, for valuable suggestions and revision of the proof-sheets, to Sir John Lawes, Bart., Sir John Thorold, Bart., Sir Jacob Wilson, Mr. Alfred Ashworth, Mr. Thomas Bell, Mr. J. Bowen-Jones, Mr. Chandos-Pole-Gell, Miss E. A. Ormerod, Mr. D. Pidgeon, Mr. Clare Sewell Read, and Dr. Voelcker. It is hoped that the co-operation of these distinguished authorities has resulted in the production of a Text-Book fitted to become a standard work on the subject of which it treats. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
