

EVERYDAY LIFE IN ANCIENT GREECE BY C. E. ROBINSON PREFACE THERE is a story told of a certain English poet, who, as an undergraduate at Oxford, was compelled to undergo an examination in Divinity. His upbringing had not included a study of the Bible and his preparation for the examination had been woefully inadequate. When, therefore, he was asked to translate from the Greek Testament the passage describing the ship wreck of St. Paul, he read it for the first time. After he had translated a few verses with tolerable success, one of the examiners announced that that would do. No, sir, it will not do, was the surprising answer, I want to know what happened to the beggar. Its irreverence and impudence apart, nothing could have been more admirable than that rejoinder. It was wholly in keeping with the spirit of the Greeks and it is to be hoped that this book will be read, and the study of Greek civilization further pursued by those who read it, with the same vigorous zest for inquiry.
