

A GRITTY THRILLER SET IN THE WORLD OF POWERFUL NEW YORK LAW FIRMS, FROM NICK SANTORA, WRITER OF THE HIT CRIME DRAMAS THE SOPRANOS, LAW & ORDER, PRISON BREAK and BREAKOUT KINGS AND THE NATIONALLY BESTSELLING AUTHOR OF SLIP & FALL. Is it really insider trading if you've been an outsider your entire life? Five men. Five walks of life. Every day they come together at the white shoe law firm Olmstead & Taft. But they're not lawyers. They're Printers: blue-collar guys consigned to the dark basement of the firm charged with copying, collating and delivering the mountains of paperwork that document millions of dollars of sensitive legal secrets. Until the five are approached by an ambitious young attorney who teaches them what they have: insider information. Together they make a plan to take the classified documents that pass through their hands every day and use them to get rich. They create a joint account to deposit the spoils. An account with a safeguard--each one only knows one section of the access code. Which means that for all five conspirators, there's no way out. But as too much money piles up to go unnoticed, the Printers will discover there's one thing even worse than being an outsider: being in too deep.
