

Let's face it. Promoting yourself, your skills, and your business, can slam even the most confident of us against a wall of fear and self doubt. Without even knowing it, you may have allowed fear to become the executive decision maker in your head. You wonder why you struggle with certain aspects of your business and yet you don't know what to do about it. If fear, excuses, or procrastination have ever gotten in the way of your ability to promote yourself, your skills, and your business, this book is for you. Written with the aspiring and seasoned entrepreneur in mind, Deirdre Van Nest uses real life examples and action steps to challenge you to make changes in your thinking and behaviors, in order to grow your business. After applying her insights and action steps, you will wonder why you ever allowed fear to dictate your decisions.
