

The first edition of Scott Richmond's award-winning guide to the Deschutes River had two goals: to help fly anglers successfully fish the Deschutes, and to provide them with the information they need to become protectors of the river. The book was acclaimed on both counts. Now anglers have a second edition--up-to-date, completely revised, and expanded. This second edition is in full color and has 70% new material, including: updated hatch charts, 16 pages of new maps, new trout and steelhead tactics, fish-catching fly patterns, month-by-month run-down of what to expect, and directions to over 150 camping and recreation sites
