

There are two basic ways to embrace the G-12 coaching structure for cell leaders: adopt the entire model or apply the principles that support the model. This book focuses on the second, providing a modified approach called the G-12.3; which seems more viable to many in our busy, western society. The G12.3 approach explains how a full-time pastor can coach approximately 12 cell leaders while a lay person can coach 3 cell leaders while at the same time leading an open cell groups. This book will explain both the why and the how of the G12.3 coaching structure.
