

In his powerful new book, internationally-acclaimed change agent and simplifier Bill Jensen maps your future and the future of work as no one else could. What are your toughest choices as you lead yourself and others into the future? Jensen has spent years studying that one question and Future Strong answers it fully, simply, powerfully. Despite all the hyperventilating and Shiny Object Syndrome, technology and massive disruptions do not determine YOUR future. Your future reveals itself only after you have made deeply personal choices about how you will embrace those changes. Jensen researched and Future Strong reveals the five personal choices that determine your relationship with the future. Choices relating to Inner Truths, Soul on Fire, Humble Self, Sacrifice, Reliance. Working through each choice is crucial. Because most of today's approaches are not Future Strong they are Future Shackled. You can and must change that. Now. Future Strong is the road map leaders and individuals need to create strong futures for their themselves and their teams. Each choice is narrated by leaders sharing their extremely compelling stories, followed by practical and easy-to-use how tos. Jensen's goal for every reader: To know, feel and be able to declare #IAMFutureStrong. What an amazing future awaits you! Limitless possibilities, yours to shape. If you so choose. Because your choices are where your future begins.
