

God Is Closer Than You Think Curriculum Kit Six Sessions on Experiencing the Presence of God The story of the Bible is the story of Gods desire to be with people. God is extending himself, stretching out to reach us, to fill our lives with his presence. Every moment of your life is like a page in a Wheres Waldo? book. God is there, the Scriptures tell us---on every one of them. But the ease with which he may be found varies from one page to the next. In this six-session Zondervan Groupware video curriculum, award-winning author John Ortberg serves as guide and interpretive leader for experiencing the presence of God in everyday life. With his engaging and humorous style, Ortberg transforms our view of Gods presence from one that may seem hidden or distant to one that is closer than you think. The curriculum kit is designed for churches to use as a spiritual growth campaign. It includes a six-session small group participants guide, a six-session DVD (with a thirty-two--page leaders guide) featuring John Ortberg teaching, a CD-ROM (with sermon resources and promotional materials), and one copy of the hardcover book. The participants guide, Small Group Edition DVD, and book are also sold separately.
