

Although presenting many of the themes or characters of the Bible in poetic style would daunt most mere mortals, the author, Pastor Trevor Chandler, has undertaken such a huge task with what seems to be sudden inspiration from the Holy Spirit. Seventy plus years of Bible study, preaching and teaching gave impetus and understanding to this mammoth undertaking and motivated him into action when such a surprising concept crossed his mind. In six weeks of concentrated effort, and despite serious health issues, what poured forth was nothing less than amazing. On completion of each subject it became apparent that the author was being given spiritual insight, enabling him to summarize both the Old and New Testaments and formulate the link between the two. For those who have a basic knowledge of the Bible, a reading of this work, especially aloud, will no doubt bring a "wow" response. For others who have little or no knowledge of Jewish / Christian Scriptures, it will be a journey of discovery, and undoubtedly a most enjoyable and enlightening one, as this epic unfolds. Although Pastor Chandler is well-respected for his preaching, teaching and writing ministry, his ability in a poetic form has come as a pleasant surprise to those who know him well.
