

In another Epicurean journey in France, renowned wine critic Benjamin Cooker's world gets turned upside down one night in Paris. He retreats to the region around Tours to recover. There a flamboyant British dandy, a spectacular blue-eyed blond, a zealous concierge and touchy local police disturb his well-deserved rest. From the Loire Valley to Bordeaux, in between a glass of Vouvray and a bottle of Saint-Emilion, the Winemaker Detective and his assistant Virgile turn PI to solve two murders and very particular heist. Who stole those bottles of grand cru classe?
