

It's almost Groundhog Day, and Emily is itching for spring to come early this year. She is searching all over to find a groundhog but can't find one anywhere, not in her closet or under her bed. Perhaps she can lure one into her yard with cookies, marshmallows, and flowers! Harry and Emily celebrate Groundhog Day in their own unique way in this seasonal Holiday House Reader. Holiday House Readers are created for children who are just beginning to read. They feature large type, simple vocabulary, and short, manageable chapters. Level 2 books, of which Great Groundhogs! is one, are intended for children in first and second grades.
