

John Vincent has often been accused of political incorrectness, but never in his writings about history. In this controversial and thoughtprovoking study of history, Professor Vincent goes to the very heart of the complex issues raised by the subject. In 1928 Bernard Shaw wrote his &quot;Intelligent Womans Guide to Socialism and Capitalism&quot;. Nearly 70 years later, in a simliarly polemical tract, Vincent makes no such concessions to feminist sensibilities or to the politics of the left. The text provides a comprehensive examination of the philosophy and evolution of history. It explores notions of historical evidence, meaning, the concept of historical imagination, morality and history, causality and bias, and hindsight. This is a controversial work by a leading historian. Penetrating, incisive and always provocative, History will be a vital text for the scholar and a stimulating guide for the general reader.

Vanishing Acts (A Maggie Brooklyn Mystery), Raspunderea in dreptul constitutional (Romanian Edition), Stargone John (Redfeather Books), Violent Youth in Adult Court: The Decertification of Transferred Offenders (Criminal Justice: Recent Scholarship), Rhythm & Colors of Manhattan, Quarks 88: Proceedings of the International Seminar Tbilisi, USSR 17-21 May 1988, DEPRESSION: 30 Days: Strengthen Your Faith in Times of Depression, The Correspondence of Walt Whitman. Volume V: 1890-1892. Ed. by E. H. Miller.,

In this powerful re-examination of the purpose and direction of philosophy for the next century, Anthony O'Hear engages with our most pressing questions: Is.
