

About forty years after Jesus's execution, a young man in Asia Minor attempts to write a factual account of his life and wise teachings. With the unexpected help of a Roman officer, he finds an old woman who knew Jesus firsthand. The more human portrait of Jesus, however, is not welcomed. From the author of *Why We Are Born: Remembering Our Purpose through the Akashic Records*, comes the saga of love and forgiveness that extends beyond lifetimes through the history. Join Alex, Derek, and Nancy as they explore the possibility of reincarnation and soul friends (more than soulmates). This is Book 2 of their story. Nancy is still suffering from her previous lifetime's mistake—can she forgive herself? Are all deeds forgivable? Derek is open to the possibility of reincarnation, but skeptical about resurrection. Alex wonders if Jesus's miracles are related to the lost Code.
