

Great for test takers or for teachers of IELTS. This book gets straight to the point with easy to understand practical tips for each of the modules of the IELTS test. There are no long complicated explanations, just the information you need. It will quickly become the study guide you come back to again and again. In addition to the numerous tips for speaking, listening, reading, and writing, there is also a brief explanation of each module and an overview of the whole test. Lastly, there are lots of practice questions for the speaking portion of the test.
