

What should those attracted to the figure of Jesus Christ make of all the different Christs available to them? Amidst today's pluralism, we encounter Christ as liberator, the cosmic Christ, feminist Christs, Black Christs, Christ as the object of mystical longing, and various New Age versions of Christ, to name but a few. *Imaginary Christs* discusses the challenges arising from christological pluralism and suggests evaluative criteria for sorting through this abundance of competing Christs without falling into either a narrow dogmatism, on the one hand, or an uncritical relativism, on the other. With an eye to the pluralism that has always been part of the Christian tradition, the book investigates the benefits of confronting the Christs of White American churches with Black Christs. It poses important questions about the future of pluralistic christological consciousness, exploring the possibilities of devoting oneself to several genuinely different Christs and the possibilities of combining commitment to the Christ with commitment to another venerable religious figure, such as the Buddha.

Wedding Steals: Creative tips & tricks to stretch your budget, reduce your stress, and plan a beautiful wedding, County Business Patterns: New York 1995 (Serial), Image Analysis and Recognition: 11th International Conference, ICIAR 2014, Vilamoura, Portugal, October 22-24, 2014, Proceedings, Part II (Lecture Notes in Computer Science), Global Warming (Science at the Edge), Schuftun um zu leben (German Edition), Storia della mafia (eNewton Saggistica) (Italian Edition), The Atomic Nucleus,
