

Originally written in 1986, this 3rd edition of LET YOUR LIGHT SHINE! is an evangelism training program for those Christians who want to share their Savior with others. The nine lessons deal with: the biblical definition and basis for evangelism, the message that's shared, our area of responsibility, dealing with misconceptions, obstacles to mission work and excuses, active and passive types of evangelism, responding to excuses and assimilating the new church member. The program also offers practical training exercises and everyday suggestions for sharing Jesus.
