

Young children (Toddlers age 1-4) will love to dance and sing along to "Let's do the jungle dance" with all the friendly animals in this wonderful jungle. The repetitive words of the song make it easy for children to learn, while the bright and colourful collection of illustrations in the book will fire their imaginations. This will have parents and children up and dancing around the house. Lets do the jungle dance is just the present for over-excited toddlers. So why not join in the fun and put on your dancing shoes. Come on, everybody! Let's do the jungle dance. With a click and a clap and shake shake shake! With a stamp and a spin! Let's run run run! With a jump and a roll! Let's roar roar roar! With a skip and a "ooh" and a "ooh ooh ooh." Contact Information Email: info@littlefayebooks.com
