

LITTLE TRISH lives in a beach house on a beautiful island, but she wonders what its like to live under the sea. And one sunny morning while daydreaming on the dock, she plunges into the water, grows a mermaid tail, and finds out! On her magical, merry day in the ocean, Little Trish laughs at the antics of a company of clown fish, takes a wild ride on a seahorse carousel, attends class with a school of fish, and finally makes a wish on a shiny starfish to find her way home. With vivid imagery, the sweet-natured Little Trish and her Adventures Under the Sea captures a universal childhood experience, the daydream, and brings it to rollicking life.
