

Bonus 8,000 word Mail Order Bride Romance story at the end of Blessed Before Texas Stars! Many thanks to our readers! Ana has had a rough time raising her two young boys as a single mom. After being deserted by her husband, she strived and worked hard to care for her boys, never letting them second guess her love for them for one second. As they get older though, out of diapers and into becoming individuals, she came to an understanding that her kids would benefit from a man in their life. They craved a male around to teach them things they wouldnt want to learn from their loving mama. Following her Aunt Gerties intuitive advice, she begins a search for a man via a Mail Order Bride service and picks a man that would most likely suit her kids. What she doesnt expect is true love, a man with the purest heart she has ever known, and one with the best intentions. God-fearing, animal loving, heartwarming, cowboy and rancher, Jefferson Sterling quickly falls in love with the ready made family. If only he can convince Ana that his rugged past does not affect their promising future.
