

Excerpt from Manual of Meditations: Preparatory to the Feasts of Our Ladys Immaculate Conception, of St. Joseph, and of the Visitation of the Most Blessed Virgin Mary To satisfy the repeated expressed wish of many of our Sisters, it has been thought advisable to republish the little Manual of Meditations for the three yearly Triduums, and those preparatory to the feast of Pentecost. To them have been added Meditations for the feasts of St. Francis de Sales and St. Teresa, the two great patrons of our Congregation. In the preparation of this little volume, special pains have been taken to arrange the Meditations in conformity with the spirit and intentions suggested by our Constitutions, and much has been added from various great Saints and other approved Authors, so as to render the little Manual as helpful as possible, towards deriving from these annual seasons of grace and benediction all the devotion and spiritual profit, desirable for the souls of those who make use of the same.
