

**MASK OF THE HIGHLANDER:** Ty Voss is returning home after years fighting the English in France. He is anxious to return to his beautiful wife and finally meet the daughter he has never known. Kenna dreads her husband's homecoming like the plague. The man she married is a cruel tyrant. She had prayed he would be killed in the fighting, freeing her from a life of brutal torment and a loveless marriage. But the man on her doorstep is not the same. This man is kind, gentle and sparks a fire in her she never felt in the early days of her marriage. Could he be an impostor? **REMEMBERING SKYLINE:** Ben has been hanging Christmas lights during his down season for years. It was simply what he did to get by from one river cabin season to the next. But this year, due to an unfortunate incident, he finds himself in the emergency room. When he walks out of the hospital, having no memory of his life before, he assumes the role of a Scotsman, figuring that's who he is since there's a kilt hanging in his closet, fresh from the dry cleaners. The only thing is, he's not Scottish at all. But he can't be talked out of it and assumes the randy role with gusto. Cassidy has had enough! And Ben is at the top of her list. She's been trying for years to get Ben's attention. But no. Not until he's lost all of his memory, that is. Now she can't get away from him and he doesn't even know his own name. **UNLIKELY REBEL:** I loved him the moment his dark eyes met mine, and I swore I would do anything to get him. The year was 2087, the height of the second Civil War. The Patriot Party waged a fiery assault against the government in response to the oil drought. They were successful, winning cities and territories, burning as they went. So begins Book One of the Dark Revolution series, a tale where the future is ruled by an elite group that dictates what people eat, what they wear, even who they marry. Caught in the middle is Anna Hinton, a young woman torn between her desire for Branthe, a mysterious rebel, and loyalty to her family. But when Branthe reveals a secret that shakes the very foundation of her beliefs, will the truth prove too much for Anna to handle?
