

So when are you getting married? Is a question often posed to 34 year-old Nicolette Montana (Nikki). She wanders aimlessly from one dead-end relationship to another and now finds the dating game one big bore. To stop all the nagging by family and friends, she fakes a Las Vegas wedding. On her return trip to Dallas, ironically, she meets the dashing and successful, Byron Matthews. Nikki becomes entangled in a web of deception when her family insists on meeting her mysterious husband at a family gathering. Byron comes to the rescue, not only to save a damsel in distress, but to have fun with her little charade. What begins as a not-so-innocent prank, brings much more than Nikki and Byron ever expected.
