

When it comes to caring for the furry residents of St. Helena, California, groomer and pet rescuer Shay Michaels can handle anything. Humans are another story, though--especially Deputy Jonah Boudouin. Hes the towns resident superhero: upright, uptight, and jaw-droppingly gorgeous, even when hes investigating complaints about Shays beloved foster animals. And that spells danger for Shay, a free spirit who cant risk trusting the wrong person again. Jonah and Shay have been circling each other ever since she came to town, and hes running out of reasons not to kiss her senseless. But this deputy is a straight shooter with his eye on the sheriffs badge. He cant afford to get involved with Shay, a chaos magnet with luscious curves whos liable to turn his career--and his life--upside down. He enforces laws. She breaks them--repeatedly. Keeping her out of trouble is becoming a full-time job...and its one he hopes is never going to end.
