

This little Piggy™s got a brand-new format™in board, with an actual (but non-removable) pacifier on the cover! Ducky has a great new game that he™d like to share with his friend: peekaboo! Piggy wants to play, too, but every time he tries to smile or call out â€œI see you!â€• his pacifier gets in the way. Will Piggy forget about his pacifier or forget about having fun? Once again, Bernette Ford and Sam Williams treat a toddler™s rite of passage with sensitivity and charm.
