

One More Time 17 is the true story of a man that received a visit from his deceased brother who was tragically killed years ago. While in a treatment center for alcohol abuse, he was surrounded by a bright and comforting light, which he claims lifted the urge from him to ever drink alcoholic beverages again. A short time prior to the passing of his wife of 32 years, he was visited by four deceased relatives, which provided comfort at a time like that. Since the passing of his wife, he has had almost daily contact with her. These profound happenings lead the author to believe there truly is a life after death, and that he will be reunited with his wife in the afterlife.
