

In book one; Pirate Jack wanted to share his culinary expertise and treat locals to the food he enjoyed cooking. Though being a pirate, they were not obliged too. Its when he retrieves a message in a bottle which is under a spell that he finds friendships in a rewarding way, and has enjoyment of his food. In book two: Captain Rottenbreath believes he is a extraordinary cook and that he will win a local cooking competition. His friend and neighbour, Pirate Jack, doesnt have the heart to tell him he cant cook, so instead encourages him by giving him helpful information on spices.
