

If you want to improve your prayer life, try writing. If you want to improve your writing life, try praying. The two require many of the same practices, disciplines, and virtues. If you're already inclined to both write and pray, you may as well figure out how they can help each other. If you're experienced in one, you may find opportunities for personal or spiritual growth by trying out the other. This book offers life-giving practices that will help you grow in both prayer and writing and show how the two can work together to improve your craft as a writer and your spiritual practices as a person of faith.
