

This reproduction was printed from a digital file created at the Library of Congress as part of an extensive scanning effort started with a generous donation from the Alfred P. Sloan Foundation. The Library is pleased to offer much of its public domain holdings free of charge online and at a modest price in this printed format. Seeing these older volumes from our collections rediscovered by new generations of readers renews our own passion for books and scholarship.

Prophets and Paradigms: Essays in Honor of Gene M. Tucker (Journal for the Study of the Old Testament Supplement), Vectore Methods, Owl Medicine, Applications of Derivatives Errors and Approximation (Calculus) Mathematics Question Bank: For 11th Class, 12th Class, HSC and Intermediate, Masterpieces of the J. Paul Getty Museum: Antiquities, A Written Constitution for the United Kingdom (Constitutional Reform), Asthma pockettool,
