

Desde su ordenacion como pastor anglicano hasta su muerte como cardenal catolico, la figura de Newman no deja de sorprender por la coherencia de su trayectoria. En estos Sermones parroquiales, un clasico de la espiritualidad cristiana que ha inspirado a todas las generaciones de cristianos desde su predicacion entre 1825 y 1833 hasta hoy, se encuentran ya las semillas de todos los grandes temas que el teologo ingles desarrollara durante su vida y obra. Desde la cercania del parroco y no desde la distancia del teologo, demostrando su enorme conocimiento de la psicologia humana, de la Sagrada Escritura y de las tentaciones y pruebas que atraviesan los cristianos en el mundo, nos introduce en los temas centrales del cristianismo y la salvacion. El presente volumen es el primero de la serie completa de los Sermones parroquiales. Con la fuerza, frescura y la audacia en el habituales, Newman vuelve a desafiar nuestra razon y conmover nuestro corazon.
