

All the worlds a stage, but in STAGE FRIGHT, Hells Kitchen private detective Jimmy McSwain learns that life upon its wicked boards can be a killer. The Harold Calloway Theatre on West 47th Street is home to the new play Triskaidekaphobia, and its playwright has been receiving threatening messages. Theatre owner and lead producer Wellington Calloway has hired Jimmy to investigate, but its a case not without its complications. His mother is the head usher there, and Jimmy grew up on its aisles. His ex, Remy, is also the costume designer for the show, a man he hasnt seen in years. Further making his life difficult is the mysterious Seetha Assan, who is connected--albeit tentatively--to the case that forever haunts Jimmy--his own fathers murder. She may just have the clue to help him finally solve the cold case. As Opening Night for the play looms, Jimmy finds himself involved in a nest of egos and personalities, all while seeking to find the missing Seetha. Toss in his on-again, off-again relationship with Captain Francis X. Frisano, and suddenly Jimmys life is edging toward tragedy. Thats when a murderer strikes, and suddenly nothing is pretend anymore. Life on the stage has turned all too real, and all too deadly. Just like on the mean streets of Manhattan.
