

Start Writing is for people who know they have a book in them but don't know where to begin. This book offers very practical advice and activities to get the reader writing. Writing can be one of the most rewarding things you can do with your spare time. It requires no expensive equipment - a pencil stub and the back of an envelope can be enough to get you started and it can be done anywhere, at any time. That said, writing is a skill like any other, requiring patience and perseverance, and the aim of this book is to provide you with some of the techniques needed to get started, to open your mind to new ways of expressing yourself, and to show you how to craft your work in ways that will be more satisfying to you and your readers.
