

For decades millions of alcoholics and addicts around the world have been relapsing in and out of their addictions, failing multiple 12-step addiction recovery programs, losing jobs, families, fortunes, freedom, and health, often resulting in homelessness, even death! Most of these relapses and failed attempts at recovery are usually a result of an inability to get beyond step 3 in the 12-step programs. This book explains that dilemma, and shows how to conquer it and make your last relapse, your last relapse! The author is a relapse free, 30 year survivor of 30 years of drug and alcohol addictions! Making the right choice in Step 3 is the only answer to, and the beginning of relapse free addiction recovery! Making the wrong choice in step 3 will result in failure and relapse over and over again! The choice is ours, and almost everyone reading this has already made one very wise decision by recognizing and facing the denial thatâ€™s held them captive in their addictions. If youâ€™re tired of relapse, and ready to face the Truth, this book has the answers youâ€™ve been desperately seeking.
