

WHY TO READ THIS BOOK Table of content will refer you to a chapter which is possibly an unsafe website. Chapter is divided in following categories: • Trust Rating • Facts you should know about the site • Notes • Analysis Details • Owner • Administrator • Server • Name Servers • Whois Go through over the chapter and try to get as much information you can get like: • Domain Age • Registered Address • Owner of site • Nature of site in which it deals • Phone/Fax No. • Site Turnover • Location of owner, administrator and server • Registered Country • Site based and mostly used country • Other linked sites **REMEMBER!!** This is my initiative to STOP SCAMS which online domains usually do. So be careful while providing your PAYMENT details to such sites which looks like trusted but actually those aren't.
