

Thackray's 2015 Investor's Guide reveals how to make money in the stock market using seasonal investment strategies. There is no other investment method like it. Investors love the simplicity of seasonal investing, as they understand the reasons why gold stocks go up at a certain time of the year and technology stocks go up at a different time. Thackray's 2015 Investor's Guide appeals to a broad range of investors. It does not matter if investors are novices or professional traders, the easy to use seasonal strategies can boost performance. All of the seasonal strategies are backed up by historical data analysis and easy to read graphs. This year's edition features a large number of new ETF and stock strategies that have never been published.
