

Something is missing in the Body of Christ. It appears the local church has forgotten a vital piece of Jesus'™ mandate. Before He ascended and left the disciple'™s standing there watching him float away, He gave them very specific instructions. His essential message, like a commanding officer dispatching orders to his troops, must be followed precisely. After the initial shock of Jesus'™ departure, those men and woman left behind understood His assignment clearly, "Go therefore and make disciples of all the nations" (Matt. 28:19). Someone said, You can lead a horse to water, but you cannot make it drink. I wrote this book because, many in the Body of Christ have lost sight of Jesus'™ instructions? Here are three compelling reasons: First, are those who have lost their connection with Christ, therefore leaving their "First love" (Rev. 2:4). Sometimes, you can't even lead a horse to water. Second, are those in the church who don't want to become a disciple of Christ. You can lead a horse to water, but you can't make it drink. Third, is a lack of qualified teachers in the local church who are called to make true disciples. You can lead a horse to water, but if there is no water to drink, which is the Word (Eph. 5:26), what then? In this book you will discover 7 ways to live out the basics of the Christian faith.
